Phys. Ed. Teacher Granted Boating Weekend

The Catholic School Board approved a recommendation by physical education instructor Lorne Wood that about 20 high school students attend a sailing and canoeing weekend at Lake Wabamun. Mr. Wood assured the board that excellent supervision and guidance will be ensured.

School Superintendent V. Maloney expressed sincere concern over the safety of the students participating in this outdoor trip. Mr. Wood explained that life jackets would be worn by all students while they were in the boats. He also said that two powered safety boats would be standing guard all the time students were in either sailing boats or canoes. He further promised that shore activities would be substituted if the weather was not favorable for sailing and that written permission from the parents would be obtainable.

Trustee Mrs. Sylvia Walsh made the motion approving the proposed weekend trip, being part of the physical education 30 course, providing no costs would be

charged to the board. The motion was approved unanimously.

Another recommendation was approved, this one from the administrator's council regarding the gradual equalizing of the pupil-teacher ratio in all grades. It was pointed out that it is no longer practical to have a different pupil-teacher ratio in the elementary level with junior and senior high levels. The administrators' council's recommendation requests that the provincial ratio of 1/21 be implemented gradually. Trustee Al Gannon made the motion which was carried.

Other topics discussed and approved included a portable classroom for Father Jan School. However, the board instructed staff to price the cost of moving a portable to Father Jan and advise the Board soon as possible. Regarding leaves of absence, the admin. council brought before the board a draft outlining leave guidelines. After a lengthy discussion the outline was re-

Blossom Ball May 27th

A few changes have been made in the arrangements for this year's Blossom Ball being held May 27 in the Morinville Recreation Centre. The Ladies Auxiliary to the Sturgeon General Hospital, who put on the popular spring event decided they would dispense with formalities and speeches this year, and instead of opening with a six p.m. banquet, the ball will open at nine o'clock and a midnight buffet will be served.

A top calibre band, "Rube Quartette" has been engaged, and as usual the Auxiliary has prizes, including a \$25 door prize.

Marian Reinbold is in charge of arrangements and tickets may be had by telephoning 599-3451 days, or 599-6826 evenings. It's probably a good idea to get them early at \$7 a couple, and plan to have a big evening out. Dress is semi-formal.

Val Anderson, Al McCann, CFRN Sports Director and Joan McCann, Mayor Ray Gibbon and Mrs. Gibbon, Ernie Afaganis, CBC Sports

PSS By-law ratified; Board Given Warning

A by-law giving the Preventive Social Services Board semi-autonomy was given third and final reading at Monday's regular meeting of town council. By-law 20/72 is a revised version of by-law 6/71 which gives the PSS board a greater degree of flexibility and spells out more clearly the responsibilities of the board. The vote for both, second and third reading regarding the PSS by-law came out 5 - 1 and thus became law. Mayor Gibbon was the only member of council voting

against the by-law. Councillor J. deBruija was absent, thus accounts for the 5 - 1 vote.

Councillor J. Bakker, directing his comments toward the gallery said that he voted in favor of the by-law because he felt changes were required in the Preventive Social Services Committee and the revised by-law should give the PSS board "the tools to do a good job." He warned, however, that if real performance was not seen within the next year or year

and one-half, "town council will step in and make drastic changes regarding the PSS Committee."

Another by-law was given third and final reading, 19/72 authorizing the town to close a portion of Edmonton Road. After this by-law received third reading, council will now submit same to the department for final approval.

Councillor R. Thronson's motion to ban motor boats on the Sturgeon River within

Continued on page 2.

Spring and kids and the Sturgeon River is a scene that has been repeated for as long as people have been around the St. Albert settlement. Like more than 111 years. This shot was taken below the highway bridge on Saturday afternoon.

Crowd enjoys guests at Sportmans Dinner

The well-known sports celebrities and sportscasters, who were the guests of the St. Albert Willowbrook Saints Baseball Club at their second annual "Mr. and Mrs." Sportsmen Dinner, proved a thoroughly delightful panel of speakers, greatly enjoyed by an enthusiastic audience of some 175, on Saturday evening.

The irrepressible and incorrigible Wes Montgomery of CHED noted that several of the head table guests were back for the second time - "not because we are all that fired up about the Willowbrook Saints, but we've looked forward all winter to hearing Arnie Bailey sing 'They call the Wind Maria,' and we had such a good time last year."

Wes introduced the head table with appropriate (?)

stories about each: Susan Natrass, trap shooting champion, Mike Logan, Clare Drake, U of A athletics and Dolly Drake, Ray Jauch, head coach Edmonton Eskimos and Sarah Jauch

Clinic best yet report Kinettes Friends

Convenor Aldo Myrthue of the Kinetite Club reports a tremendous Blood Donor Clinic Monday night, when 260 St. Albert residents showed up at the community hall to give blood for the Red Cross transfusion service.

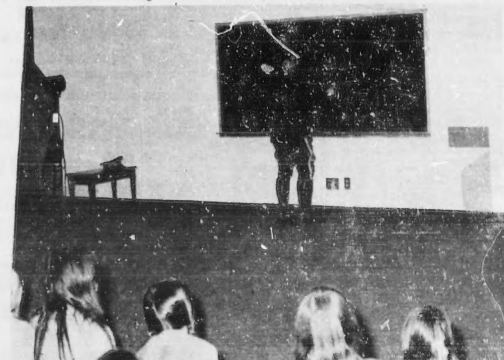

Last year, with 147 donors, also set a record, so the response this year was really overwhelming, said Mrs. Myrthue, and the Red Cross people also commen-

ted on the well-organized clinic and the fine turn-out.

Twenty Kinettes were on duty for about five hours, assisting the Red Cross staff and they were very pleased with the good help received from three girl guides, who volunteered their services: Cathy Parry, Sandra Yeats and Kim Smith are working for their all-round Red and community service work is part of their training.

The St. Albert Kinettes reported a record-breaking response to their appeal for blood donors Monday, May 15. Shown above at the blood reception centre established in the Community Hall (foreground) Mrs. Lorna Thomas, 30 St. Vital Avenue, attended by a Red Cross nurse. In the background is Kinetite Mrs. Lynn Calkins attending another donor Mr. George Wilkie. The Kinettes say this was the most successful blood appeal in years.

Constable Doug Race of the St. Albert RCMP detachment is shown addressing students of Sir George Simpson Junior High. While observing National Police Week - May 15-20, police on detachments in St. Albert and Morinville have been kept busy promoting traffic safety, especially bicycle knowledge of traffic regulations with school children. Constable Race and Corporal Stan Fuchs have between them talked to about 2,000 youngsters, emphasizing the importance of bicycle safety and making very clear the rules and laws governing the operation of bicycles. The 'Mounties' extend a warm invitation to everyone interested to call in at the St. Albert or Morinville detachments this week for a chat and a tour of the premises.

PSS Bylaw

Continued from page 1.

the corporate limits of the Town of St. Albert was defeated 3 - 3. Voting in favor of the motion were councillors Thordson, Babiker and Luky. Against were Mayor Gibbon, councillors Hudson and Kambouroff. Despite the defeat, Councillor Thordson got his licks in there and made his views abundantly clear. "Motor boats within the confines of St. Albert," said Councillor Thordson, "are noisy, are a hazard and cause erosion along the river." "He was very firm in his convictions that motor boats on the Sturgeon ought to be banned.

Councillor Kambouroff felt it was very sad for a council to entertain the banning of motor boats on the Sturgeon. He closed his comments by saying, "we've got a beautiful river at our doorstep and now we want to stop the people from enjoying it."

Councillor Hudson, who cast one of the dissenting votes, asked with tongue-in-cheek, "if we approve this motion, how are we going to enforce the by-law... are we going to buy ourselves a speedboat?"

Regarding signing authority, council approved a motion whereby two members of the council and two members of staff will share in the signing duties during the normal course of administering town affairs. The four include the mayor, deputy-mayor, secretary-treasurer and chief administrator. The motion by Mayor Gibbon was passed unanimously.

Council Monday ratified the purchase of a garbage packer and truck unit for the town's public works department at a total price of \$30,288. Town engineer J. Mandag explained to council the urgent need for both a garbage packer and chassis. He pointed out that the present equipment was wearing out rapidly, especially because of the extensive use it was subjected to and the long distance refuse had to be hauled. He strongly recommended that a Kenworth truck, presently available in Edmonton be purchased at \$18,850 and a packer, available in Winnipeg at a price of \$11,438, in closing his recommendation. Mr. Mandag said, "I think we'll be able to get a reduction on the quoted prices."

Mayor Gibbon was the only dissenting voter on the motion that Lot R-3, Block 12, Plan 2229 RS be offered for sale to the Edmonton and Rural Auxiliary Hospital and Nursing Home District No. 24, at a price to them of \$25,000 per acre, fully serviced. Mr. Mayor felt that the true and appraised price of \$32,000 per acre be maintained. The rest of council expressed views that this land, located between the Youville Home and Sturgeon General Hospital ought to be put to its best use and priced accordingly. Attached to the motion, however, is the request from council that the Auxiliary Hospital District

No. 24 indicate whether they are interested in the property because others are interested in the 3.41 acres of land described.

Council resolved at the April 17 meeting that the Borah property be sold to Wescon Construction Products for the development of a pre-cast concrete manufacturing plant. In a letter dated May 5, Weston advised council that they had purchased other property within the town. Council thus approved receipt of the letter.

Boating Weekend

Continued from page 1.

ferred to the policy committee. Another timely point was discussed and this one dealt with teachers taking their classes to lakes or rivers on picnics. The board ruled that effective immediately, teachers will not be permitted to take their classes to either lakes or rivers on picnics without permission from the board.

The board approved unanimously a motion by Trustee Al Cannon that Grade 1 students be dismissed June 14. On a related issue, regarding the admittance of Grade 1 beginners June 16, 19 and 20, a motion by Trustee Sylvia Walsh was also carried unanimously.

On June 7 to 10, secretary-treasurer Chris McDonnell and his assistant Mrs. Genevieve were authorized to attend the Banff Short Course. The motion was made by Trustee Mrs. Sylvia Walsh and carried.

The principal of Vital Grandin School, Jack Patterson received permission to plant 12 trees at his school on May 24. To show his gratitude Mr. Patterson cordially invited the entire board to attend the tree-planting ceremony which he said would take place at about 1 p.m. Mr. Patterson assured the board that the trees would beautify the school grounds and, "in time provide shade for the students." The trees are being made available through the town nursery.

Prot. Board Hears Admin. Proposals

The Protestant School Board heard a recommendation from the administrators' council requesting an increase in their preliminary budget estimates with which to buy in bulk, instructional aids before June 30th of the current school year.

Spokesman for the council, R. Thordson explained that in previous years, the 65% allowed was not enough. He then directed the board to the written submission which shows that in 1971 alone, the spending trend shows that by June 30, 66% of the budget had been spent.

"This clearly indicates," said Mr. Thordson, "that by June 30 of each year, our budget is gone and that's when we have to place our orders for the forthcoming term." He further explained that with a greater flexibility factor, the administrators' council could order in bulk and thus obtain a better price.

The board voted unanimously to increase spending of the preliminary budget estimates to 75% instead of the previous 65%. Chairman J. Wiltshire forewarned the spokesman that this did not mean an increase in budget but simply a greater percentage of the preliminary budget estimates could be spent before June 30 to give the administrators' more flexibility.

Trustees nominated to

attend the ASTA special meeting in Calgary June 12 and 13 are J. Wiltshire and D. Munroe. Those nominated to attend the ASTA Collective Bargaining Seminar also held in Calgary June 14 and 15 are Dr. W. Cuts and C. Schroeder.

The proposed 1972-73 school operations year, submitted to the board at a previous meeting has been revised by Superintendent Elmer Gish and re-submitted as follows: instructional days have been increased from 191 to 192 days and operational days increased from 197 to 199. On a motion by Trustee Schroeder the school operations submission was accepted. Included in the motion was that Farmer's Day in 1973 be deleted from the list of holidays.

Regarding appointments, transfers and other staff shifts the board approved that: J. Arnot, presently district principal designate be assigned to Leo Nickerson School; that J. Carnahan, who will be teaching at a DND school in Europe for the next two years, upon his return be hired as a principal designate and J. Currilla, vice-principal at Robert Rundle School be transferred to Sir George Simpson School. Two resignations were accepted, Mrs. Julie D. Rowe and Mrs. Ellen Tarves. Mr. Gish told the Board of Trustees

that other resignations were anticipated.

Mrs. Shirley McCaffery, on behalf of the Leo Nickerson Parent Teacher's Association met with the board and expressed the association's concern with the apparent increasing pupil-teacher ratio. Mrs. McCaffery explained that the Leo Nickerson PTAs sympathized with the board's financial dilemma but it was still of paramount urgency that pupil-teacher ratio guidelines, previously established be

maintained. She further expressed the PTA's concern regarding staff cuts which might result in the loss of many desirable non-academic courses.

Mrs. McCaffery concluded her submission by saying, "we appreciate the board's problems but as a parent group we feel it important to make our concerns known to you." She also said that the PTA intends to make representation to the minister of education and the local MLA.

Jim D. Roberts, town building inspector (left) was an auctioneer for a few hours late Friday afternoon and managed to sell approximately 25 bicycles plus many odds-and-ends such as eye glasses, clothing and the such. The articles are usually found and left unclaimed at the police barracks then auctioned off to the highest bidder. Mr. Roberts said the bicycles were sold at a price ranging from \$5 to \$40.

Camp Lacombe prepares for a busy summer

Arrangements have been completed for the operation of Camp Lacombe by the camp committee of the St. Albert R.C. parish. Three-day, five-day and nine-day camps have been scheduled from June 26 until August 9, under the direction of Mr. Ross Johnson, a qualified camper with eight years experience, who will be assisted by Brother Leblanc and a group of experienced counsellors. The campsite is on Lac Ste. Anne, five miles west of Alberta Beach.

Boys 7 - 9 years will attend between June 26 and 29; girls 7 - 9 from June 29 - July 2; boys 10 - 12, July 3 - 8; girls 10 - 12 from July 10 - 15; boys 13 - 15, July 16 - 27; Cubs from July 28 - 30 and girls 13 - 15 years from August 1 - 9.

Last year the number of campers at Lacombe went from 150 to 300, and this year the committee is pre-

paring for 450 young people. Binges have been held to assist with funding, and a slight increase in fees is in effect this year, in an effort to overcome the deficit to the parish, which last year was \$3,800. The camp is being rented out for May and June and hopefully in late August and September, to assist with financing as well.

The camp life allows children to live close to nature, with others of his age group, and the program, which

stresses Christian values, is designed to develop qualities of leadership, friendship, sportsmanship and the art of survival.

Mrs. Kay Oddleifson is handling registrations and a registration form in this issue of the Gazette may be completed and mailed to her, before the June 5th deadline.

11 local people earn B Ed. degrees

The Faculty of Education lists were posted Tuesday at the Administration Building of the University of Alberta and Bachelor of Education degrees will be conferred on the following St. Albert people: Norman Lewis Clark, Roberta Lynn Clark, Elaine Margaret Cuts Merry Edythe deChamplain,

Alex Defiguero, Gordon Heffel, Phyllis Kittitz, Carol Marlene Kosman, Robert Emery Roberts, Richard Schlenbein and Dennis Maxwell Smith, who graduated with distinction.

David Douglas McNeely earned his professional diploma this year from the faculty of Education.

Badminton

Results of the final tourney held by the local Badminton Club are as follows: Event: mens singles, Clark Warren, mens doubles, Clark and Ray Wauch; mixed doubles, Roberta Parsons and Pat Wauch; ladies singles, Bernice Parsons; and ladies doubles Roberta and Bernice.

In the C event June Raven took the ladies singles and teamed with Sandy Warren to win the ladies doubles. Sandy with Norm Caruthers won the C mixed doubles. Norm won the mens singles and teamed with Fraser Fairweather to take the mens doubles C event.

Friends shower Theresa Michelot

About 30 friends of long standing gathered at the home of Phyllis Kittitz last Wednesday evening to honor Theresa Michelot with a bridal shower. Women from throughout St. Albert and district, friends of Mrs. Michelot and former classmates of Theresa, some of whom hadn't seen each other in 20 years, had a most delightful evening renewing acquaintances, and having a grand time visiting.

Theresa graciously thanked her friends for the many lovely and useful gifts she received, and her hostesses, Phyllis, Marguerite Atkins, Doris Sumner and Eileen Rowsell.

Kinette Sharon McMaster, left, and Anne Haphyn watch with interest as Betty Daley, president of the Kinette Club, right, presents a cheque for \$100 to Chris Neys of the Library staff. The funds will be used in the library's program to upgrade the children's book section, particularly pre-schoolers. Operating on a strict budget, the library is enlarging this section through the assistance of local organizations, and Mrs. Haphyn said they were indeed grateful for the Kinettes donation.

Toca Dancers to give concert

The Toca Devotional Dancers, under the direction of 18 year old Carroll Kyle of 177 Bridgewood Terrace, will present an hour-long concert Sunday evening at the St. Alexander Mackenzie school, beginning at 7 p.m. There is no charge.

Devotional dancing is a fairly recent activity, and in fact the only other groups known by Carroll and her father, Gerry Kyle, to be performing, are two in Germany. The Kyle family became interested when Pastor Berg was in Edmonton and their daughters were members of the Edmonton Lutheran Girls Worship Choir.

The dancing is performed to hymn music and is choreographed to interpret the words of religious music, through graceful and expressive arm and body movements. The Toca dancers are boys and girls ranging in age from 5 - 13 years and each is encouraged to express his or her feeling for the words and music as an individual, while following the outline pattern of the dance. About 25 young dancers will take part in the concert.

One of the interesting numbers of the program is the old favorite "Rock of Ages," which will be performed back-to-back with a recent new version of the hymn, entitled "Fire Song."

The group is non-denominational and building up a repertoire of religious music from all sources, using a tape recorder. Following the concert Sunday evening Carroll and Mr.

Kyle, together with the dancers, will be available to answer any questions people in the audience might have about this new devotional art form.

Between practices and choreography, plus detail work, Director Carroll Kyle is kept busy six or seven evenings a week, which indicates how interested she is in the young people coming to her classes.

These students from St. Albert School of Dancing will be presenting a "Kiddies on Kamera" show this Saturday on CFRN TV at 12 noon.

RCMP Adopt VASCAR

To assist in the never ending job of making our roads and highways safer, the RCMP in Alberta have added VASCAR to their traffic law enforcement program. Effective May 15, 1972, some RCMP patrols will begin using VASCAR.

VASCAR is a brand name standing for "Visual Average Speed Computer and Recorder." It is an electronic speed calculating device that enables the policeman on patrol to check the speed of motor vehicles whether they are coming or going, behind or ahead of the police vehicle or even moving on a cross street or road. The device will work when the police car is stopped or on the move.

VASCAR operates on the proven principle that speed equals distance divided by time. With it a peace officer can measure the time it takes a vehicle to cover a certain distance and from these measurements the device automatically computes the average speed.

The RCMP report VASCAR units were installed in some RCMP patrol cars some time ago and personnel selected to be VASCAR operators have undergone a 30 day training period and successfully completed appropriate tests to determine their proficiency with the new equipment.

At the annual badminton tournament held recently in St. Albert, Pat Waugh shown above won the championship trophies in two events, Pat and Clark Warren won the mens doubles while in the mixed doubles, Pat and his partner, Roberta Parsons were awarded the trophy in that event. It's the first time in many years that the same player has come up with top trophies in separate events. Congratulations.

Sports

Sportsman's Dinner

Continued from page 1.

director and Mrs. Afaganis. Clare Drake commended Ed Howorko and Rudy Scheibelhofer of the Saints for including ladies at their sportsman's dinner, which gave a more ecumenical feeling than the usual rags. Following a funny story on the Protestants, Jews and

Natras as a guest for the evening before going on to talk about the Canadian-Russian series. "At first I didn't think so, but now I think Gordie Howe is the right coach, said Mr. McCann. He has the respect of all the players and along with Jackie McLeod will do

among sportscasters, West Montgomery put the audience straight that CBC MEANS "could be cancelled."

Ernie said that despite Sue's comments on the Russians, and Clare Drakes thinking about the series, he didn't agree with it. Let the Russians stand up to a 76-game schedule like our players went through. This is not fair, said Mr. Afaganis. Also he pointed out, "the Czechs were world champions and they earned that championship. We should play them first." The reaction of the audience showed that many were in agreement.

To close the formalities Rudy Scheibelhofer warmly thanked the head table visitors. Rudy, who is both sponsor and manager of the Saints, expressed the appreciation of the St. Albert club for the fine support of the Edmonton sportscasters and athletes.

He went on to introduce the Saints 1972 team, stating "we have a good club, capable of winning against Edmonton and Camrose." He also introduced four of the Willowbrook Homes staff who were present.

Dancing in the Continental Room of the Bonaventure Hotel, concluded the evening and the guests joined in for a good part of it.

Fastball tourney in Calahoo

The Calahoo Sports Association are holding an eight team double-knockout fast ball tournament this weekend in Calahoo.

Action gets underway Saturday morning at 10 a.m. with the final schedule for Sunday evening.

Prize money of approximately \$100 will be up for grabs.

All seven teams in the Sturgeon Fastball League will participate with a team from Edmonton completing the draw.

Entertainment in the Gazebo will go Saturday evening.

RAT JAUCH

a good job. Al predicted Canada will win all eight games.

Introducing Sue Natras, Mr. Montgomery said she was the best in North America in her field and just recently back from the competitions in Reno, Nevada. Further, Sue has been voted top female athlete at the U of A where she plays volleyball and other sports, and also holds six silver medals in olympic track shooting.

Sue told the audience something about track shooting and how she got interested in it, through her father and older brother, starting at age 13. She described how the shoots are run and some of the exciting highlights of the sport. But in addition to the thrills and challenges of competition, Susan felt that people met and friendships formed were a big part of the sport for her. Thirty-six countries around the world have trap shooting competitions. Arriving early for the events in Bolagna, Italy, last year, ahead of other people she knew, she said the members of the Russian team were very warm and genuine and made her feel she belonged. An Egyptian team took Susan and her mother out for dinner on one occasion. Following a shoot in India she has exchanged gifts and cards with two competitors who, she was very surprised to learn, were princesses, whose fathers were maharajahs. Teams often exchange pins, and Canada's is one of the most popular, said Susan. The sport knows no politics and each trap shooter is a friend to the other. But to represent Canada is the greatest honor any person in sport can achieve, and there is no event more moving than watching your country's flag go up in the flag raising ceremony, concluded Miss Natras.

Introducing Ernie Afaganis, the 'elder statesman' of the Saints, said he was the best in North America in his field and just recently back from the competitions in Reno, Nevada. Further, Ernie has been voted top male athlete at the U of A where he plays basketball and other sports, and also holds six gold medals in olympic track shooting.

SUSAN NATRAS

Catholics, Clare said it is great that we've learned to laugh at each other instead of years. The Catholics and the advertising media might have been carried away at a spot he drove past in the states, said Mr. Drake. And with tongue-in-cheek went on to describe a drive-in confessional booth, whose neon sign announced "Hook and Tell, or Go To Hell."

In more serious vein, Clare unveiled the 'Drake' plan for the Canadian-Russian hockey series. We should look at having two teams, said Mr. Drake. He felt it would be difficult for NHL owners to give up a player such as Bobbie Orr from August 15 to October 5, but for two-and-one half weeks they could do so. He felt there 40-50 players who would be capable of playing well in the series, and noted also that the first four games will be played in Canada, where rinks are 15 feet more narrow than in Europe.

The talk switched to football when Ray Jauch took over the mike and he described a situation last year when the Eskimos were down 9-1 in games played. Going into his office the next morning, someone had left a detailed sheet of instructions on solving problems, which Ray said had much merit. "However," he said "when you're up to your neck in alligators, it's hard to remember that your initial objective was to drain the swamp!" But I think we have the swamp drained, he went on, and we'll have a football team more closely knit than last year. We will be better, and the western conference is improved, with B.C. the sleeping giant. Last year, he noted, only seven points separated the five teams.

Al McCann mentioned how nice it was to have Sue

Little Leaguers Launch Baseball Season Opener

The Little League baseball season got underway last week with games being played in the Mosquito, Beaver and Bantam divisions. Because teams play an

even number of games, league standings must be calculated in a ratio of games played which is transferred into a decimal fraction.

Coaches are reminded that any rained out games must be made up and they are responsible for making the necessary arrangements. It would be appreciated if coaches would phone game results into Doug Parkinson at 599-7309 as soon as games have been completed so that the statistical re-

cords can be kept up to date.

So far it appears that the new season is off to a very good start.

At the end of the week, the league standings are as follows:

MOSQUITO DIVISION:

	W	L	Ratio	Stgd.
Phillies	2	0	1.000	1
Totems	2	0	1.000	1
Bravos	1	0	1.000	1
Lions	2	0	1.000	1
Apollo	1	1	0.500	2
Oilers	2	0	0.000	3
Mustangs	0	2	0.000	3
Red Sox	0	2	0.000	3
Eskimos	0	1	0.000	3

BEAVER DIVISION:

	W	L	Ratio	Stgd.
Angels	2	0	1.000	1
Dodgers	1	0	1.000	1
White Sox	1	1	0.500	2
Pirates	1	1	0.500	2
Giants	1	1	0.500	2
Braves	0	1	0.000	3
Mets	0	2	0.000	3

BANTAM DIVISION:

	W	L	Ratio	Stgd.
Cubs	2	0	1.000	1
Orioles	1	0	1.000	1
Expos	1	0	1.000	1
Twins	1	2	0.000	2
Cardinals	0	2	0.000	2

Youth Bowlers Awarded Trophies As Season Ends

Last Saturday 144 young bowlers received trophies for their team place as well as for high average, high double and high single in pee-wee, bantam and junior categories.

Eric Robinson bowling coordinator acted as master of ceremonies and presented a gift to the retiring manager of Grandin Bowl, Mr. Tom Prentice, on behalf of his "boys and girls."

Tribute was paid to three workers with the youth bowlers - Miss Kim Popoff, Mr. Ken Ahronson, and Mr. Rich Schuchard.

The banquet was held at the Purple Dude Restaurant.

The highest average of the simpsonite youth bowlers was attained by Miss Marilyn Ahronson who, in the junior class with an average of 200 in regular league play, the highest single of the season was attained by Gary Wauch who obtained a score of 367. Gary is a bowler in the bantam classification, and often plays on adult leagues. Gary also scored 350 during a competition at Bonnie Doon lanes during the season.

During the coming season there will be three bowling clinics conducted for all youth bowlers, one at the beginning of the season, one during the Christmas holidays and one just before the final roll-offs.

Tennis Club News

Last Saturday in the St. Albert Tennis Club Junior tournament, Gary Waunch won the boy's section and Linda Waunch took the girl's section. The seniors held their tournament, a novelty doubles, on Sunday. Sue Taylor (with her new racquet) was the ladies winner, and Frank Carnahan and Clark Warren tied for first place in the men's section. The men's scores were all very close.

The Interclub league has now started and the schedule of games is posted on the bulletin board at the courts. Club members are reminded that since the team number has been reduced to two men and two ladies,

the Interclub matches will only tie up two courts, but for a longer period of time. There is an interclub match scheduled at home at 7:30 p.m. every Monday and occasional Wednesday from mid May to the end of July. Any match which is rained out on the Monday will be played on the Wednesday of the same week.

Club members are reminded that the Wednesday club time is divided - 6:30 to 7:30 p.m. for juniors; and 7:30 - 9:30 p.m. for seniors.

Any questions regarding Interclub can be directed to Judy Wood or Clark Warren, the Interclub directors for the city league.

Around Town

Don't forget the Breakfast Lions auction sale Saturday, May 27 at the St. Albert Arena. A special appeal is being made to all residents who have "saleable items" please clean up,

shape up and give them up to the Lions. Phone 599-3456; 599-7550 or 599-6829 for free pickup of those items you can live without.

Around Town

The St. Albert Kinmen held their wind-up festivities for the hundreds of boys in their minor hockey program in the arena this year and it worked out beautifully. The stands were filled to capacity for a film showing and awards presentation program, emceed by Fred Calkins, who headed up minor hockey this year.

The film, loaned from the Molson Library, showed the 1966 Russia-Canada games, when Roger Bourbonnais was on the Canadian National team. A huge table held the dozens of trophies for top scorer, top goalie and league champions through all the divisions of the minor leagues. The Kinnettes and volunteer helpers were kept

plenty busy at hot dog and pop time, and none of the crowd, between 500 - 600 went away disappointed. Mr. Calkins had warm

words of appreciation for the many people whose work and assistance made the minor hockey season so successful.

CJD Panthers take openers

Opening games in the seven team Sturgeon Mens Fastball League were played Monday night despite the threat of rain.

CJD implements erupted for six runs in the third inning and coasted to a 13-4 win over Grandin Esso Tigers.

Tom Reed picked up the win while Mike Hampel took

the loss. Brian Zamisky and George Fraser hit homeruns for the winners.

In other league play Spruce Grove Panthers scored a close 7 - 5 win over Villeneuve. Wally Gamble and Al Gorka pitched for the winner while Villeneuve used Stan Peck and Dan Flemming.

Jim Byrne keeps a sharp eye on the local M.L.A. Ernie Jamison late Saturday afternoon as he pulls the winning tickets for Jim Byrne Mens Wear \$1,000 worth of clothing prizes for the 10th anniversary of Grandin Shoppers Mall. First name out got the suit - that was Merg Davis of Gladstone Crescent - Dave wins again! The co-ordinate went to F. Ashton, the Jantzen sport coat to Mr. Schultz of St. Albert, top coat to John Lake, St. Albert. The following each got a pair of slacks: John Demers, Ray Binette, D. Johnson and T. Atkinson of St. Albert, and K. Boeck of Sherwood Park. Three local fellows won shirts: B. Roy, R. Hauptman and Kent Neilson. The short and the long Irishmen in the photo are both in suits from Jim Byrne Mens Wear for the occasion.

Senior Citizens prepare for summer

On May 9 our regular monthly meeting was held. Our new executive was elected. They are as follows: Mrs. K. Oddleifson, president; Mrs. P. Hamilton, vice-president; Mrs. E. Turner, secretary; Miss M. Wolniewicz, treasurer.

So these ladies are ready for another year of work. Congratulations to the above executive, they have their duties cut out for them. Thank you to Mrs. B. Vaugeois who stepped down from the vice-presidency.

Of our many projects, one is our year-round work preparing for our annual bazaar held in October. So be looking for it.

This week May 14 - 19 is Senior Citizens Week. In wanting to do our part for our senior citizens of the Youville Home we will be taking them on a number of outings during this week.

Monday, May 15 - our senior citizens will view slides of the Orient taken and presented by Marie Wolniewicz.

Tuesday, May 16 - we will be taking our senior citizens to the Lions Senior Citizens Recreation Centre in Edmonton for a "Giant Bingo".

Wednesday, May 17 - It will be back to the Centre for a "Whist Drive".

Thursday, May 18 - we will be holding our usual monthly party, at which time we always have a huge birthday cake honouring all patients whose birthdays come within the month.

So we will be pretty busy this week honoring our senior citizens and showing

them we care.

The following phrases by Victor Hugo are beautiful and express a thought about our senior citizens, if they are well looked after and

shown that they have a place in our community:

"When grace is joined with wrinkles, it is adorable. There is an unspeakable dawn in contented old age."

Legal Recreation Board

By Bea Maurier

Saturday, April 29 the recreation board held their annual Awards Night. Leon Brisson, master of ceremonies called on Marcel Dube on behalf of the board who thanked all the ladies who worked in the arena and the hockey players for such a successful year.

Rene Georget then presented the Legal Hotel Award for Most Valuable Player to Robert Letourneau. The coach, Claude Maurier presented trophies on behalf of the board to: top scorer, Denis Pelletier; most valuable player, Robert Letourneau; best defence, Gary Kalyn; most gentlemanly player, Pete Van Brabant; rookie of the year, Darcy Brisson. Maurice Regimbald also received a plaque from the hockey club in appreciation for his dedication to hockey. Captain Pete Van Brabant presented plaques to manager Liz Pelletier and coach Claude Maurier. The evening continued with dancing and lunch.

Shower honors Marlene Toma

By Liz McLeod

A happy time was spent on May 3 at Calahoo, when approximately 53 ladies gathered to surprise Miss Marlene Toma with a bridal shower.

The winners of the games played were Irma Cust, Debbie Ross and Rhonda Quintal, Lollie Brenneis and Cecile Berry.

The head table was graced with a bouquet of double mauve African Violets and Honnoreana Brenneis, Mother Mary Victoir, Bernadette and Sandra Brenneis sat with the bride-to-be. Together they opened the many varied and useful gifts.

Marlene graciously thanked all present for the gifts, with special thanks to Laura

Boddez, Laurette Kramps and Theda Verbeek for making this evening possible.

A delicious lunch and friendly visiting was enjoyed by all the guests from St. Albert, Mearns, RQB, Stony Plain, Pleaderville, Edmonton, Vimy, Morville and Alcomdale.

Windup night fetes Vimy Hockey team

YVON BILODEAU

Born and raised in Vimy, son of Mr. and Mrs. Jos Bilodeau, Yvon played his junior hockey for Estevan Bruins and was drafted by Philadelphia Flyers. Played for the Charlotte Checkers in the Eastern Professional League during the past season. He is presently employed in Edmonton and is playing for Vimy in the North Central Alberta Baseball League. His brother Robert, played for New Westminster Bruins in Junior A Western Canada Junior Hockey League. Residents of the area

are very proud of Yvon and Robert's achievements and wish them continued successes.

By Jeanne Laplante

The Vimy Sports Association held their annual wind-up banquet last Saturday in the Community Hall and a very good crowd was in attendance. Master of ceremonies, Roger Laplante introduced the coaches of various teams. Germain Fortier spoke on behalf of the Mite B's, Roger Laplante, Mite A coach presented Yvon DeChamplain with the team's top scoring trophy. Peevée coach Claude Huot spoke of a very successful season having won the league championship and two tournament trophies. Real Huot was presented top scoring trophy and he in turn presented the coach with an appreciation plaque on behalf of the team. Paul St. Arnaud who coached the Bantams was next on the program and his team's top scorer, Maurice Dusseault received the award.

The girls' team was

praised by their coach, Mr. G. Rouleau for good sportsmanship in their first year's achievements.

Coach of the ball team, Leo Provencal said a few words concerning the coming ball season and hoped for continued support.

Mr. R. Joly, school principal spoke of the school's achievements which were numerous.

Guest speaker Yvon Bilodeau who played for the Charlotte Checkers of North Carolina in the Eastern Professional League spoke of his last season's hockey and this was followed by a most interesting questions and answers period. Hearty thanks were extended to Mrs. Claude Huot and Mrs. Jos Bilodeau who were in charge of the delicious meal and also to all those who helped to make this evening a success.

Mr. and Mrs. Edgar Kirschenman from Fort St. John were two weekend

Morinville Daze features foods from many lands

International foods is the key to the preparations underway to suit the tastes of all at the spectacular Frontier Daze, Morinville on June 17 and 18. It's the chance of a lifetime to taste the delicacies of many varied and national dishes. Here's a preview of the plans:

The day will begin with a free street breakfast.

The International Food Booth - on the grounds - is open Saturday, 11 - 9 p.m. and on Sunday from 12 - 5:30 p.m. and offers the following variety of favorite food from other lands: Ukrainian, German, French, Yugoslav, Quêlle Variété - What choice can be found at the Inter-

national Food Booth.

The Concessions - offer other food varieties on the grounds. These include - hamburgers (prime ground beef), hot dogs, chips, corn on the cob, gallons and gallons of pop, lemonade and ice cream.

So taste the Cuisine and join the Craze,

There's Foods For All At Frontier Daze.

Farewell party honors Reginbalds

By Lucienne Montpetit

A farewell party was held for Mr. and Mrs. Maurice Reginbald recently. Some 300 friends and relatives gathered at the community hall to bid farewell to a couple that will be missed in the community.

Maurice and Pauline moved to Legal six years ago. Maurice was employed as agent for the Federal Grain Company.

Immediately upon his arrival Maurice took an active part in community functions. He was a very dedicated secretary for the rec. board, he served as a director for the Credit Union, was also secretary of the Sturgeon River Hockey League and an enthusiastic worker for the Fête au Village.

Of course "behind every dedicated man there is a very patient and understanding wife as was Pauline."

During the evening "Bunk" Fizer the emcee thanked Maurice for all he had done

for the community and said we were sorry that they were leaving Legal and hoping they would keep a good souvenir of the friends they had acquired during their six year stay. Then he called upon Leonard Forcade, president of the rec. board who spoke on behalf of the board members and presented them with a pen and pencil set. Claude Maurice, coach of the senior hockey team presented Maurice with a hockey stick signed by all the players. Walter Van De Walle presented the honored couple with a purse on behalf of everyone to which they both replied with well chosen words of appreciation.

To include a most enjoyable evening a delicious lunch was served. The community wishes good luck to Maurice and Pauline, who are moving to Slave Lake where he is employed by North American Stud Limited.

AROUND TOWN

St. Albert Lions sold \$500 worth of trees last Saturday afternoon, and look forward to a large turnout for their bedding plant and tree sale at Lions Park starting this coming Saturday. On Monday the concrete was poured for the dual-purpose building at the Park and construction work got underway Tuesday.

Alan Thompson, organizer of the first annual Andy Capp Dart Tournament by St. Albert Branch of the Royal Canadian Legion, displays some fancy form in the singles play. Doug Taylor, who ended up in the prizes watches beside him. White circle in top left corner shows the dart in flight.

Alan Thompson of the St. Albert Legion received a number of telephone calls from members of the Edmonton City Dart League congratulating the local branch on their tournament held Saturday, and asking him to arrange for some

future tournaments here. Mr. Thompson says he will be discussing an idea for a pre-Christmas mixed tournament at an early legion meeting.

It took about 12 hours to run the 50 entries through singles double knock-out and doubles round robin events in the community hall. And it took a lot of advance organization and planning to arrange the tourney. "In the first one you learn the hard way" said organizer Thompson, "and you find a lot of mistakes." Next year we will schedule the event earlier, perhaps around Easter and a lot of details will be ironed out."

However on the overall the first Andy Capp tournament was a success, with all participants enjoying it and promising to be back.

Mayor Ray Gibbon who threw the opening dart, and Deputy Mayor Rene Kambouroff who presented the prizes, both received appropriate wall plaques as mementos.

Before play got underway, Alan put a vote to the players, and it was their

decision to play for \$500, rather than the \$1,000 advertised in view of the entry total being about half what could have been expected.

Winners in the doubles event were: Jack Sage and John Skeers, Edmonton; 2nd Bill Hill and Brian Lowe, Cold Lake; 3rd Jack Lidgett and Ed Beaudry, Edmonton; 4th Art Moses and Tubby Durano, Edmonton; 5th John Prosser and John Dancocks, Edmonton; 6th - Al Patterson and Tommy Murphy, Edmonton.

Singles event winners:-- 1st Max Carr, Cold Lake; 2nd Ed Coleman, Edmonton 3rd Doug Taylor, St. Albert 4th Al Patterson, Edmonton; 5th John Prosser, Edmonton; 6th Bill Delmage, Edmonton.

High-off scores won by: Verson, Cold Lake; Gord Robertson, Edmonton.

High Finish winners: Max Carr, Cold Lake.

High Score of the Day - 171 was won by Tubby Durano.

A dance and late supper concluded the event, with music by Caribbean Ambassadors.

TOWER PAINT
& Laboratories Ltd.

*MANUFACTURED & TESTED IN ALBERTA SINCE 1962

The newest addition to the Davis Automotive Centre Ltd. chain is the above modern outlet located at the corner of St. Anne Street and St. Albert Road.

Davis Automotive Centre Ltd. is proud of its well-stocked stereo department. Here we see branch manager Don Campbell putting a tape deck up into the showcase.

Davis Automotive Centre Ltd. Opens Outlet In St. Albert

A brand new link to the Davis chain was added this week at 17A St. Anne Street in St. Albert. Davis Automotive Centre Ltd., a reputable name in the automotive industry in Alberta since June 3, 1968 opened new and spacious quarters facing St. Albert Trail. This makes store number four with headquarters in Edmonton at 16705 Stony Plain Rd.

Founder of the highly successful automotive engine, accessories and supply centre, Alexander Davis is very proud of his new outlet in St. Albert and justifiably so. The new automo-

tive centre incorporates a complete stock of the latest automotive supplies available plus ultra-modern layout and displays in the trade.

"I've had my eye on this town for a long time," said Mr. Davis, "and when I located these premises, I knew right away that corner spot was the right place for my new store." He also explained that he has been familiar with the St. Albert region for many years and always watched it grow, with a great deal of interest. Today, he feels it's the right time to add a fourth outlet to his chain, here in this progressive town.

Davis Automotive Centre Ltd. in St. Albert has the young look. Its manager, Don Campbell is a very young man and well qualified in the automotive business as well as being a graduate in marketing administration. The other member of the staff, another young man and a local youth at that, is Lee Ripley. With this youthful pair, operating out of spanking new quarters amid an array of the latest cry in automotive accessories and supplies, can't help but give patrons the impression of being in a "now" store.

Davis, located here at the corner of St. Anne and St.

Albert Road offers a complete stock of speed equipment, stereo centre, engine and transmission repair or exchange plus additional displays of tools and even fishing tackle and accessories. Branch manager Don Campbell says, "we do in-

deed have a complete store here." Mr. Campbell explains that engine rebuilding and transmission work is all done in the main branch in Edmonton but points out, "close as we are to the shop and with our exchange service, our customers don't

have to wait long for anything."

The new automotive centre is stocked and equipped to serve every segment of the community including the do-it-yourself buff, the hot-roder, the farmer, trucker and even the amateur mechanic who wants to try his hand at swapping motors in the family jalopy. We serve them all. "and that's how we've built our business to what it is today."

At left is Lee Ripley of St. Albert, member of the Davis Automotive staff. He is shown with branch manager Don Campbell viewing one of their high performance engines on display.

'Town with a Future' has colorful history

The history of Morinville dates back to 1891, when French-Canadian and German-Canadian settlers established themselves in the district, under the guidance of Father Jean-Baptiste Morin 41 years ago.

Four years later coal was discovered in the district, attracting more settlers, and coal is still mined in

the area to a lesser extent. In 1904 the first contingent of the Filles de Jesus, a teaching order, arrived in Morinville.

During the next year the Canadian National Railway line was extended to the townsite, to be followed by the NAR line, both of which still serve the district, providing good two-way ser-

vices, which will continue to be an asset as the town develops.

The imposing St. Jean Baptiste church, built in Gothic design, whose tall spire is a landmark of the area, and the rectory were built in 1907, three years before the town was incorporated.

Today however, Morinville, located 15 miles north of Edmonton on Highway #2, calls itself the "town with a future," and recent rapid expansion supports the slogan. The town boasts many active clubs and organizations and has fine entertainment facilities.

Presently all the organizations are busy with preparations for the big annual summer celebration "Frontier Daze." The idea for the 'daze' was born at a meeting of the Board of Trade in 1965, when the decision was made to form a committee embracing all the existing clubs in town. Vincent Curtis was the first chairman. The event has made steady progress, attracting ever-larger crowds each June, with Klondike dress tying-in well with the frontier theme.

This year's celebration on June 17 and 18 promises to be bigger and better than ever.

Elida Laroque

By Liz McLeod

A good turnout came to watch the Walt Disney film that was shown by the Sports Association, May 5. The mothers brought bags of popcorn for all.

The show was delightful and afterwards the crowd moved to the Gazebo for family fun. Pop, popcorn and bars were sold and adults played cards or just visited to bring a grand evening to a close.

A big bouquet to the Sports Association for stimulating interest in the community.

With summer approaching the ball games are starting. Girls 14 years old and under had their first league game with Gibbons at Calahoo. With this being their first game, the girls Carolyn Roddick, Serryl Quintal, Barbara Berube, Christine

Calahoo Sports

and Lucille Moellman, Kathy and Patricia Mayo, Lori Zacharias, Charlene and Tracie Berube and Carolyn Karakonts didn't fare so well the score being 14 - 5 for Gibbons, but it was good to get the kinks ironed out and better luck girls in the future. A boys team is being or-

gained presently and we'll hear more about them in the future.

Incidentally the Sports Association jackets look real sharp, and quite a few were worn at the ball game that this correspondent watched.

GOVERNMENT OF ALBERTA

RURAL RECREATION

By Carl Royan

SUMMER SPORTS CAMPS

The University of Alberta will again be holding summer sports camps. There will be seven sports included this summer. The sports include, hockey, swimming, wrestling, football, basketball, gymnastics and volleyball. Each camp will include excellent training in the respective sport for boys and in the case of volleyball, gymnastics, basketball and swimming for girls. The instructors in each activity will be the coaches of the varsity teams who are all nationally recognized experts in their field. Members of the varsity teams will assist with the instruction.

The school is open to boys and girls from 8 to 18. The courses will take place between June 25 and September 2 with each session consisting of seven days of instruction at a cost of \$80. For more information on any of the activities or for application contact me at 424-6276 or 256-3323 between 1 and 3. It is important to apply soon as the sessions fill up very quickly.

CO-OPERATIVE YOUTH SEMINARS AT GOLDEYE CENTRE

These seminars held at Goldeye are an excellent chance for leadership development for all facets of life. Some of the topics include group dynamics, decision making and social issues. The recreation board would be interested in sponsoring any young person who would be willing to attend this camp and return to Sturgeon and use their skills in assisting with the

recreation program. Any young adult between the ages of 16 and 20 may attend who has not previously attended a Co-operative Youth Seminar. There will be a bus leaving from Morinville to the Centre on July 30 for the camp which lasts from July 30 to August 5. For more information contact me at the office.

Morinville YES in Operation

By Rose Martel

The Morinville Youth Exchange Services are ready to help the 20 students going to Quebec on a Canadian Student Exchange trip to earn money to finance their trip. They will give a good hour of work for a reasonable pay by the hour. There are six boys and 14 girls, responsible, dependable and reliable students, who are available for any kind of housework, window cleaning, yard cleaning, painting, babysitting, after school hours or at weekends. This project deserves and should get the support and co-operation of every citizen of the community, who can provide any kind of work from now till July 12, for these young people. For booking or reservations for babysitting or help from the Youth Exchange, phone Carol Woytkiw at 256-3427 or Sherry Kryskow at 256-3243. This will replace the Slave Auction which had been announced.

By Lucienne Montpelt

Mr. and Mrs. Albert Pelletier accompanied by Mr. and Mrs. Camille Belle travelled by car to Grande Prairie where they visited with Mr. and Mrs. Pelletier's daughter and son-in-law, Gerry and Yvonne Lengener.

The wives of the K of C wish to thank the cooks Louis Lecavalier, Richard Maurer and Richard de Champlain for preparing and serving them such a delicious breakfast on Mother's Day. It was also a pleasure to have the District Deputy and his wife, Mr. and Mrs. George Lee from Spruce Grove attending the breakfast.

Special thanks to Father Lucien Tellier for the keen interest he took in the parish while replacing Father Bissonnette who was studying at the Quebec University for the past 10 months.

LEGAL LOCALS

Father Tellier left Tuesday to take charge of the parish of Boyle. A hearty "welcome back" Father Bissonnette.

Mr. and Mrs. Joseph L'Heureux left by plane May 7th to meet Father Bissonnette and they will return with him by automobile this week.

Sylvia Auger, George L'Heureux and Paulette Tremblay hosted a miscellaneous shower in honor of Irene Tieule Sunday afternoon at the Recreation Centre.

The hall was beautifully decorated in pastel blue, pink shades with vases of pussy-willows and flowers decorating the front table. A number of games were played followed by the opening of the gifts.

TRY THE CLASSIFIEDS, THEY GET RESULTS.

PHONE: 599-7144

Irene thanked everyone for the beautiful variety of useful gifts she received and a special thanks went to the hostesses. A delicious lunch was served concluding the enjoyable afternoon. Irene will become the bride of Gaston Parent on June 3.

Congratulations to Terry Keane who was crowned queen at the May Queen dance Saturday night.

Get well wishes are extended to Mrs. Tony Pelletier who is back home after spending sometime in the Westlock Hospital.

Receives Grant

Larry Paul, chairman of the Sturgeon Recreation Board is seen in the foreground accepting a cheque for \$20,000 from Al McRoberts, area consultant with the department of Culture, Youth and Recreation. In back row from left are Reg Crozier of the Rec. Board, Alphonse Nobert, secretary-treasurer of the MD, Carl Royan, recreation director; David Falls and Angus McDonnell of the recreation board. The presentation took place Monday afternoon on the steps of the MD building in Morinville. The funds will be distributed through seven centres in the municipality.

APPOINTMENT

A. E. (TED) HANCOCK

Mr. James P. Zahar, president of Jaybar Ltd. (Realty) - 711 Empire Building, Edmonton is pleased to announce the appointment of Mr. A. E. (Ted) Hancock of Bon Accord, as Acreage and Farm Sales Consultant. Ted is well known in farming circles, and being a farmer himself offers both the buyer and seller a realistic approach to the purchasing or sale of a farm or acreage. If you are thinking of buying or selling contact Ted at Residence 1-298-2242 Bon Accord.

A grant from the provincial government of \$20,000 has been received by the MD Sturgeon, under the capital development recreation program of the department of culture, youth and recreation.

Next year the MD will apply for a further \$32,000 which would be the total for which the municipality is eligible, under the current capital grant program for recreation.

The \$20,000 will go to seven centres in MD Sturgeon: \$6,000 to Villeneuve - to assist with the building of the new community hall; \$6,000 to Calahoo for the Gazebo; \$6,000 to Riviere Qui Barre, for assistance with the addition to Camilla school being built for community recreation; \$500 to Mearns for renovations to the heating system of the hall; \$500 to Coronado for the addition of washroom facilities at the hall; \$500 to Lamoureux for plumbing alterations to Lamoureux Hall and \$500 to Horse Hill which will be used to build ball diamonds.

Morinville Lions hold charter night

By Rose Martel

On May 6 the Morinville Lions celebrated their 23rd Charter Night in the recreation centre, with 158 guests for the festive banquet, and 300 attending the social that followed.

Guest speaker for the evening was Lion District Governor Angus Murray of Edmonton Southgate Club. Head table guests included Deputy District Lion Governor Rock Holman, zone chairman of St. Albert.

Lion Past District Governor Arthur Stapleton, was master of ceremonies. Morinville Lions President Robert Anderson; past President, Peter Gibeault, and their ladies were present and other special guests included Miss Fronlier Daze, Barbara Hittinger and Mr. Remi Lafrance; carnival queen Kelly Johnson, and her parents, Mr. and Mrs. Richard Johnson, and skating committee members, Mr. and Mrs. Garry Bland, Mr. and Mrs. Ray Antoli, Mr. and Mrs. Norman West, Mr. and Mrs. Don Streeter, Mr. and Mrs. Rick Rogers, and Mr. and Mrs. Ted Mulligan.

Special presentations were made to Arthur Stapleton who received the distinguished District Governor Appreciation Award medalion, and Lions Pete Gibeault and Frank Bremies who received Appreciation Plaques. Two charter members of the Morinville Club were present, John Stevens and Pete Gibeault.

The Morinville club has 30 active members. The active Old Monarch is Herbert Saunders, and the

youngest member is David Wiley, who has given much time to youth programs in the community.

It was announced that on May 18, beginning at 7 p.m. the Morinville Lions will hold a Heritage Lake Area Clean-Up working bee. All

volunteers who wish to help during the evenings to complete the work would be greatly appreciated. It is hoped that the citizens will take pride in keeping this lake front clean and enjoyable for family picnics during the summer months.

Bishop Gagnon moved to Rome

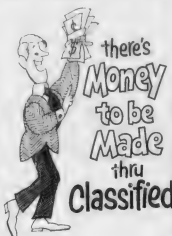

By Rose Martel

Most Reverend Edward Gagnon, bishop of the Diocese of St. Paul has been named rector of the pontifical Canadian College in Rome, Italy. Bishop Gagnon has served the See of St. Paul in Alberta since 1969.

GAGNON

His successor is Rev. Father Raymond Roy, 52, rector of the Cathedral in St. Boniface, Manitoba. Father Roy, a native of Manitoba, will celebrate 25 years of priesthood on May 31. He will be consecrated Bishop in St. Boniface on July 18, and his enthronement as Bishop of St. Paul, Alberta will take place July 27. Vimy, Picardville, Legal and Morinville are district parishes in St. Paul diocese.

Namoo honors Sr. Hockey team

Calling on coach Clay Crozier to present the cup to Namoo hockey team, manager Harvey Ash told the large crowd at Namoo Hall Friday evening that they could be proud of their team, the only one in the Sturgeon Valley League ever to win the league championship twice. Which drew a solid round of applause for the players, who were assembled with their captain for the presentation.

Speaking of coach Crozier, Harvey said "you have to see this guy operating in the dressing room to really appreciate him. The year before," he recalled, "we were once up 9-0 at the end of the second period, and Clay is telling us 'Just remember - we haven't got this game won yet!'" The club has been operating for nearly 10 years now, and we have a fine team, concluded Harvey.

Mr. Crozier commented that "Harvey is a good manager - he keeps the team, organizes the playoffs, and gives much time and help to the club. He also thanked the assistant coach, Syl Gibson, who "gets uplight when we need somebody uplight."

"So we bunch of rubbys-dubs got lucky," Clay went on - "but seriously they are a wonderful bunch of fellows, who worked very hard for this win, and it is a pleasure to present the trophy to them, at this type of a gathering. These boys can go that extra step it takes to win." Captain Tom Crozier accepted the trophy on behalf of the team.

The Bob Jefferies Memorial Trophy donated by the Sunnyside Ladies, for the Most Valuable Player went to Adolph Yeske. In presenting the trophy Mr. Crozier commented that the selection is made annually by the players themselves, and nearly every year they choose the player I would have voted for, if I had a vote - and this year is no exception. "Adolph plays the kind of hockey Calahoo and Villeneuve like - with a little rough stuff. He noted that Adolph's goal from centre ice was the turning point of the series versus Calahoo. Adolph also has the kind of team spirit needed to win, said Clay in presenting him with the large handsome trophy, which is his for a year. Mrs. Potter

then presented Adolph with the keeper trophy, donated by herself and her husband. The team gave handsome lighters to Coach Crozier and Manager Ash. A lively evening of dancing and refreshments concluded the wind-up celebration for Namoo senior hockey team.

Vimy 4H Sets Picnic Day

By Beverly Brown

Our first year of 4H activities was ended when we gathered together for our final meeting on May 5 at 7 p.m. at the Vimy school. Elaine Huot, Roxanne Bonik and Celine Dubois led the 29 members, leaders and parents to the repeating of the 4H pledge. The members then answered the roll call "Do I think 4H should be continued in our community?" Everyone replied, "Yes, it should be."

Reports were given by all the officers, committees and leaders and everyone was very pleased with the work that has been done by everyone including the parents.

A discussion on 4H in general took place with all the members, parents and leaders taking part. Critiques and compliments were also given so that in the next year we again may follow the 4H motto "Learn to do by doing."

The club has set the date for their picnic for June 11 at 7 p.m. at the lake near Vimy. Parents and members are in charge of the picnic lunch.

The parent advisory committee submitted names for leaders for the next term and everyone voted that they be accepted. They are as follows:

Leader - Mrs. E. Brown; Assistant Leaders: Mrs. Y. Blanchette and Mrs. V. Brown; Project Leaders - Mrs. B. Montpetit, Mrs. I. Huot and Mrs. M. Fortier. Elections of other committees and officers will be held at our organizational meeting which is September 13, at 7:30 p.m. in the Vimy School. If you have a child ages 10 to 20, or know of someone who may be interested in joining our club at that time, please get in contact with our leader or come to our first meeting

Calahoo people enjoy trip to Los Angeles

By Liz McLeod

The weather was good all the way for Sharon McLeod and her mother's trip to Los Angeles. During our first plane ride it all was very exciting and we made stops at Vancouver, San Francisco and Los Angeles cousins Karl and Gertrude Pischinger were waiting to take us the 40 miles to their home in Costa Mesa where Gertrude's mother, 92 years young also welcomed us.

Karl and Gertrude had a busy schedule arranged for our entertainment, and we visited at Malibu Beach and Balboa Island the next day.

The following day we drove to Santa Barbara. We walked in the ocean water and picked sea shells before going another 30 miles high up the mountain to eat delicious Danish food in a city called Solvang. Enroute to Santa Barbara we stopped at Karl's good friend's place in Carpinteria where Emil Mauer, 83 years, has a beautiful garden, orchids and flowers.

This energetic gentleman raises Dahlia's for seed and since he's an organic farmer, people come to his door to buy his wares. Incidentally land out there costs \$10,000 for one half acre.

A day was spent at Knott's Berry Farm, preserved as in the old wagon train days. They have stagecoaches with live horses, and trains that you can pay to ride on plus a barn full of educated animals that will do tricks. The laying hen actually plays a piano when you put a dime in the slot.

The saloons, antique furniture, dress, wagons, jails all were inhabited with lifelike statues so it was all realistic and so worthwhile to walk hours to see.

In September.

This is my last report as the Vimy Needles Club reporter. I hope you've enjoyed reading about our club.

The San Juan Mission at Capistrano was another worthwhile place to visit and now we've been where the swallows go when we have winter.

We saw lion country and saw one lion wandering about also saw a huge flock of reindeer at a Japanese Garden, another tourist attraction.

The visit to Disneyland had to be the highlight of our trip. This is the cleanest most well kept attraction we saw and really kept us moving to get on all the rides and see all the shows which is impossible all in one day. The monarail gives a good aerial view, and a narrator describes the history of the place. There's only 118 acres of parking space!

The next longest day was spent in Universal Studio's Hollywood tour and it was fascinating to get an insight into film-making.

We also enjoyed shopping and viewing all the beauty in such a warm climate. Temperature stayed in the 70s and 80s but that's not hot due to the damp climate. Flowers were blooming everywhere. Geraniums are a weed there and grow like a hedge in places. Roses are in abundance and we saw figs, dates, olives, grapes, apples, pears, avocados, plums, peaches and lemons on their respective vines and trees. We had orange juice every morning from our hostesses tree. Even picked oranges for eating right off the vine.

We mustn't forget the mocking birds song which

AROUND STURGEON

Mrs. Salome Deslaurier, formerly of Legal, returned May 7 from a bus tour of California. She was accompanied by Mr. and Mrs. Joe Letourneau and reports a thoroughly enjoyable trip.

we heard every morning. Also the turtle dove makes a different tune.

All in all this was a holiday with a difference since it was the first time see-

ing sunny California, a great place to visit if you have kind relatives who know where all the tourist attractions are and treat you as a queen.

BON ACCORD

By Sadie Allen

The past week was an interesting one for all the ball enthusiasts. Mile and pewee girls lost out in both games played, while bantam and juvenile girls copped off resounding wins over Legal and Horseshills. Bantam boys split their games, losing a close one to Horseshills and winning over Namao. Miley-Mites, mile, pewee and the senior men all won their games. So far, Bon Accord has the only eight-under girls team around, but coaches Shirley Bland and Marilyn Carleton are holding regular practices just in case some opposition turns up in the near future.

May 10 saw the wind-up of the season for brownies, while guides will carry on until the end of June so that current projects may be completed. A perfect attendance of mothers and daughters turned out for the mother and daughter banquet held at the B.A. Community Centre, barring assistant guide leader Roseann Lewis, who is visiting with her family in Eastern Canada. Mistress of ceremonies was Florence McKay. The toast to the mothers was made by Janine Lampkin and the reply by Mrs. Edith Kowalski. Rev. Miller was the guest speaker. Presentation of awards to the guides was made by their leader Mrs. Ruby Lampkin. Awards were Judy Lampkin, citizenship, Florence McKay, 2nd class and child care badges, Janine Lampkin, 2nd class child care and Little Hostess Emblem, Laurie Kettler, Susan Moore and Wendy Lewis. Child care and hostess

badges, Cheryl Rosen, toy maker and child care badges, Shawna Brennan, Lori Madden, Cynthia Irmen and Joyce Zondron all received their hostess badge.

Brownie awards: Golden Bar, presented by Mrs. Elizabeth Grant to Linda Komik, Linda Kushak, Colleen Grant, Susan Carleton, Susan Abramski and Suzanne Rivet; 2nd year pins presented by Marilyn Carleton to Tami Kowalski, June Zondron, Lorna Carleton, Beverly Hewitt, Jill Nicholson, Betty Kushak, Leah Irmen, Crystal Moore and Carmen Carleton; Golden Hand presented by Connie Lewis to Elaine Woywitka, Carmen Carleton, Cally Malanahan, Crystal Moore, Tami Kowalski, Beverly Hewitt, Jill Nicholson, Betty Kushak and June Zondron; Golden Ladder presented by Shirley Bland to Connie Kreway, Janet Bland, Karen Belzlik, Lorna Carleton, Tracie Brennan, Debbie McBride, Leah Irmen, Carrie Lucka and Karen Bjerke. Presentations on behalf of the brownies were made to Mrs. Mary Kryskof for her very capable supervision of table setting and serving of the delicious supper by Mrs. Victoria Kushak, by Tami Kowalski to Doreen Hewitt for the community centre, a set of carving knives in appreciation for the use of the building for their meeting and by Susan Carleton to Fairy Godmother Mrs. Gertie Bland a lovely African Violet.

The Alberta Goat Breeders' Association will hold a field day at the Samis farm, two miles west and five and one-quarter miles north of Bon Accord on Saturday, May 27. Planned activities will get underway at 1 p.m. There will be a hoof trimming demonstration and a seminar on handling and showing of animals and judging of kids. A raffle of a bantam hen and rooster, a

Dutch auction for a cake and a \$2 membership in the association entitling you to the draw on a kid. There will be a goat cart ride and samples of goat products for tasting. Light refreshments will be for sale. Sounds like a very interesting afternoon. If more information is desired phone 298-2254 or 735-2266.

On Sunday, May 14 friends gathered at the home of Walter and Jean Chubb to wish them well on the occasion of their silver wedding anniversary.

Rita Milligan was guest of honor at a baby shower held at the home of Dorothy Rig-

ney on Tuesday, May 9. Hostesses were members of Rita's 4H Clothing Club.

Mrs. Hannah Chubb travelled to Calgary where she attended the 51st anniversary of her graduation from Calgary General Hospital on Friday, May 12.

Congratulations to Mr. and Mrs. Louie Komick on the birth of a daughter.

The regular meeting of the Anglican Church Women will be held at the home of Marjorie Bland on Tuesday afternoon, May 30.

Get well wishes to Mel Ruth in the University Hospital.

NAMAO NEWS

By Norma Crozier

Rural Life Sunday will be held in the Namao Hall on May 28 at 11 a.m. There will be no service at Bon Accord or Patricia that Sunday. Guests will be the "Meldy Three" and Rev. Gary Lindbergh. Lunch will be served after the service. Everyone welcome.

Mr. John Pearce of Namao celebrated his 70th birthday on Sunday, May 14. A family gathering was held at the home of his daughter, Mrs. Dorothy Ungstad at Ponoka. Present at the party were his four daughters, Muriel Meyer, Evelyn Griffith, Dorothy Ungstad, Norma Kulkis, his two sons Jack and George and his 14 grandchildren. Also attending was his older brother Bill and many friends.

Sympathy of the district goes to the John R. Crozier family in the loss of their beloved grandson Brian Glenn Watson, son of Ian and Shirley Watson of Fort Saskatchewan.

Friends and neighbors

"dropped in" on Johnny and Molly McDonnell on Wednesday, May 3 to housewarm the beautiful new addition to their home. Neighbor Jack Nelson presented them with a glass ornament and purse of money on behalf of everyone present.

A community housewarming party was held at the home of Don and Alice McLay on Saturday, May 13 with about 100 friends and relatives attending. A lively evening of dancing to the music of Arnold Cowen in their large rumpus room was enjoyed by all. On behalf of everyone present Howard Samis presented them with a piece of crystal and a purse of money, wishing them luck in their new home. Gladys McLay also presented Alice with a gift from the Happleite Club which she belonged to since its beginning.

Leo Huber reports there is a desperate need of coaches and umpires if all our boys and girls are going to be able to play baseball this year. Anyone willing to help please call Leo at 799-3849.

ENERGY RESOURCES CONSERVATION BOARD
OIL AND GAS
CAMPBELL-NAMAO FIELD
Application No. 6327

NOTICE

TAKE NOTICE that, unless objection by a person having a bona fide interest in the matter is filed on or before May 30, 1972, with the undersigned and with the applicant at its address set out below, the Board may grant an application for approval of a scheme for the disposal of water in the Campbell-Namao Field, without limitation of volume.

The applicant, TGS Hydrocarbons Limited, proposes to dispose of water without limitation produced in conjunction with oil or gas from the Campbell-Namao Field, Morinville Field and Alexander Field by injection into the Campbell Namao Blairmore E Pool through the interval from 1412 feet subsea to 1419 feet subsea in the well, BLUCR CMAO IN 11-36-54-25.

Copies of the application and information and particulars filed in support thereof may be obtained by interested persons from the applicant, TGS Hydrocarbons Limited, (Attention: Mr. G. T. Conn), 1970 Elvedon House, Calgary, Alberta, T2P 0Z3.

DATED at Calgary, Alberta, on May 10, 1972.

Cool it

with
NO
FROST

Cool it... nice and easy. Cool it... the no-frost way. The only ice your refrigerator should be making now is the kind we put in tall glasses. So if defrosting that old-fashioned fridge week after week has you up tight... cool it! Send that old fridge down to the rec-room and move your kitchen up to the cool, cool world of "no defrosting ever". Make it... with a no-frost fridge... and cool it... the easy way!

Stop living in the past. Visit your appliance dealer today and see the no-frost refrigerators of the future

ELECTRIC SERVICE LEAGUE OF ALBERTA

MORINVILLE MEMOS

By Rose Marlet

The 1972 Morinville and district Clean-Up and Beautification campaign sponsored by the Board of Trade, is in full swing. Many business people and citizens are to be congratulated for their cooperation and full participation. A public vote of thanks goes to the students who provided the colorful posters to promote the campaign. The campaign will continue until the end of May, with extra garbage pick-up facilities in residential areas. Trash should be properly set out next to garbage cans. It is the hope of all local citizens, that the few Pa and Ma Kettles of the area will be inspired to get rid of old sheds, lumber piles, rignings and other rubbish.

On Friday morning May 12, shortly before 1 a.m., an old land mark in Morinville, the CNR station, burned down to the ground. The large stucco building had been unoccupied since last September, and the cause of the blaze is unknown. Thanks to the prompt and all-night vigil by the volunteer fire brigade, the Alberta Federal Grain elevator was saved from any damage, as well as the many trailer homes nearby.

Among those reported in hospital are: Mr. Eldege Polier, Mrs. Lorette Craig Miss Paulette Rousseau, Mr. Mel Hittinger.

Mr. and Mrs. David Kryskow and daughter Pamela,

have arrived in the old home town from Dallas, Texas. David will replace his hockey gear for a pair of coveralls and put in the crop at his father's farm, while Ed Kryskow, recovers from a recent spinal operation.

According to reports two local businesses are changing hands. The Morinville Car Wash, formerly owned and operated by Eugene Pelletier, has been purchased by Octave Himschoot Sr.

The Alberta Hotel, another old landmark in the town, has been purchased by three local businessmen, Ed Kryskow, Alve Ekenofor and Raymond Gibson. Plans are to build a new modern building with facilities to host bar and dining as well as hotel rooms with private baths.

Recently the large block where the Junque Boutique was located, owned by Mr. and Mrs. Roland Ricard, was sold to a Mr. Norman Bearchell of St. Albert. The proposed plans, not yet confirmed, are that a canning factory is to establish there later this year.

On Sunday, May 21 the Frontier Daze executive will sponsor Chuckwagon and Chariot races on the new track west of Cunningham School from 2 - 5 p.m. A baseball game will also be on the program. The little working beavers, Morinville Youth Exchange Service Group will man the concession booth. Their hamburgers

are delicious, hot dogs are plump, and their coffee is super. A complete family program for Sunday afternoon.

The Morinville MYR group held a very successful dance last weekend with the top rock band "The Sage". Due to the many requests for a repeat performance, the group will host the same band on June 8. No school on Friday, June 9, Farmer's Day in Alberta, for rural schools.

The Morinville "Les Femmes Chre'tiennes" held a very successful spring and summer fashion show recently with some 300 guests in attendance. Among those who won prizes during the evening were: Paul Gregoire, Claudette Turgeon, Yvonne Kluthe, Laura Bokenfroh, Peggy Butt, Ann Supper and Lorraine Ferguson. Mrs. Bertha Kennedy was the organizer and conveners were Lil Boddez,

Charlotte St. Germain and Solange Bachand.

Mr. Camille Gregoire, Royal Bank Manager, is back from a two week manager's course in St. Adele, P.Q.

The Morinville Recreation Board recently sponsored a short basic course for local pedalpushers. Mrs. Florence McGinnis, chairman, reported that 96 youngsters registered for the four sessions of instruction. It is hoped that the sidewalks will be available for pedestrians now, and that bicycle owners will use the streets.

The Mothers Local reports that the July 3 swimming course is filled up and registration with Mrs. Jules Carigan and Mrs. Jean Robinson is continuing now, for a second group to take the 12 day course later in July and August. Unless 48 or more register before the end of May, the second group will be cancelled.

New & Used Grain Augers

FIRST INQUIRE WITH US BEFORE YOU BUY

It'll help you do a whole lot better.

If you want to make your land work harder for you, produce more crop per acre and increase the profit potential of your operation, then you should be adding muscle to your soil with Simplot ammonia. Each year more and more Alberta producers are using Simplot ammonia as a source for feeding their crops nitrogen.

And the reasons for the success of Simplot ammonia as a fertilizer are quite evident; it saves your time and your labour. The easy handling qualities of Simplot ammonia cut down heavy, back-breaking la-

bour. Pumps and hoses do the work of bags and backs. And the equipment plants your ammonia fertilizer down into the soil. It goes to work for you adding muscle to your soil quickly and effectively. Best of all, your Simplot dealer can provide you the necessary equipment at no extra cost.

This year save valuable time and labour with Simplot ammonia fertilizer and add hours and increased yields to your profit potential. See your Simplot dealer. He'll help to get you growing.

Gibbons Council to meet oftener

In order to handle the volume of work to be done through the construction season, the village of Gibbons council voted to hold two meetings a month during the summer, on the second and fourth Wednesdays.

Saturday, May 20th, has been set aside for Clean-Up Day. Persons with pick-up trucks assisting in the drive are asked to be at the fire hall at 9 o'clock. Youngsters of the village are asked to take part in the clean-up, and a wiener roast will follow for those who help.

The budget is nearing completion and will be submitted to council as soon as the requisitions from Sturgeon School Division and Fort Saskatchewan hospital are received.

Prices are in for the floor coverings and window drapes to complete the new village office. Estimates carried over from 1971 for these furnishings can now be finalized.

The secretary and two councillors will attend the secretary-treasurer meeting in Ponoka on May 16.

The fire department have been busy answering fire calls in the rural area mostly grass, stubble and bushes. Five calls were answered last weekend. When calling the fire department be sure to give your name and the location as near as possible to the fire. Lanes and roadways should be kept clear so the fire trucks can get to the fire as soon as possible.
